We would remind you that the Town Forest is made up of two tracts of land, both on the Trunk Line south of Sanbornville. One just north of the Fellows Road and the other a little farther south. The CWA crew has worked on both these tracts and the payroll that has come into the Town this winter because of this work amounts to \$1327.60. Approximately 35 acres have been cleared and the brush burned. We feel that when the snow is gone a little more work should be done, as the amount of snow on the ground when the work stopped prohibited the finishing of some of the work started.

Child Health Conference Reported by Vivian M. Jennings R. N.

A Child Health Conference was conducted by the State Board of Health, Div. of Maternity, Infancy and Hygiene, in cooperation with the Woman's Club and local nursing service in August: forty-five children were examined by Dr. Kimball of Union as follows:

Babies under one year	10
Pre-school children over one year	35
Children with physical defects	31
Number of defects found	31
Defects corrected	10
Placed under treatment	1

In July the Annual T. B. Clinic was held with forty patients. Dr. Kerr of the N. H. T. B. Association was the examining physician.

Two vaccination clinics and four Toxoid Clinics were held by the Board of Health and Local Red Cross. A dental clinic was held in October for the first four grades with Dr. Roger Morrison as dentist. Eighty-six children were treated. This was made possible by the untiring efforts of our membership by holding food sales and giving suppers to raise the necessary

funds and we extend our thanks to all those who helped to make this clinic a success.

The women of Sanbornville and Union have held all day sewing bees to make clothing for those in need. In addition to this other clothing as well as bedding has been furnished by the National Red Cross. The last of the Red Cross flour has been distributed which has been a great help to many.

Several children have been taken to specialists for eye and throat examination and patients have been accompanied in the ambulance to hospitals in Boston, Dover, Rochester, Wolfeboro and Ossipee during the past year.

School Work has also been carried on in Brookfield and Middleton.

Respectfully submitted,

MAUDE McBRIDE, R. N.

**GAFNEY LIBRARY**

Annual Report for Year Ending Feb. 1, 1934

Patrons of Gafney Library have enjoyed the opportunity of having access to the reading rooms six days a week for the past two months. Miss Evelyn Sanborn a C. W. S. worker, has been on duty thirty additional hours each week during this period and much has been accomplished.

During the entire year, the Librarian and her assistant have had the Library open the usual number of hours on Tuesdays, Thursdays and Saturdays.

The circulation for the year was 6071, attendance 5,395; number of borrowers 453, number of new books 173. It will be noted that our circulation, number of borrowers and new books show an increase over last year. Ninety-six of the new books catalogued were gifts from friends of the Library.

We have supplied two stations with books, one at Brookfield and the other at South Wakefield. A box of books was sent to the Public Library Commission at Concord for the C. C. C. Camps and another box is ready for the County Home at Ossipee.

The greatest needs of Gafney Library are new books and new magazines.

**SUPERINTENDENT'S REPORT**

To the School Board of Wakefield:

Gentlemen: The close of another municipal year having arrived, it is my duty and pleasure to submit to you, and through you to the citizens of the town, my fifteenth annual report as superintendent of our schools.

The table which follows contains the usual statistics relating to the schools.

## STATISTICS FOR THE YEAR ENDING JUNE 30, 1933

	Totals and Averages	213	181.43	177.33	97.73	67

The total enrollment, average membership and average daily attendance are smaller than for the preceding year. The high per cent of attendance and small number of tardinesses are very satisfactory.

The enrollment for the present year to date is smaller than for the year 1932-1933.

The names of those pupils who were neither absent nor tardy during the year for one or more quarters will be found in the roll of honor which follows.

The number of pupils in the eighth grade was the smallest for many years. Only seven were graduated and given diplomas namely:—

Henry Boston, Victor Drapeau, William Stevens, Martha Willey, Dorothy Wentworth, Celestia Knapp, Marjorie Wilkinson.

The present year we have enrolled twenty-three in this grade.

Medical Inspection in the schools has been under the supervision of Miss Maude McBride. Her report will follow.

A very successful dental clinic was held in October. I wish that it might be possible to hold such a clinic every year, as the results would be doubly satisfactory if this could be done.

At the present time milk is being furnished for all the children who seem to need it, at no cost to the district. This service is secured by federal aid.

At the beginning of the present school year only one change was made in the corps of teachers. Mrs. Ross, who has served us well and faithfully for a number of years, withdrew from service. She was succeeded by Mr. Ralph B. Linton, a graduate of Keene Normal School and Oberlin College. He is doing excellent work.

Only a few days ago we received the resignation of Mrs. Hill, who has been teaching at Wakefield Corner for the past year and a half. She is succeeded by Miss Margaret Brown, a graduate of Portsmouth Training School and of Plymouth Normal School.

Respectfully submitted,

FRED. W. DUDLEY

Superintendent of Schools

Milk has been furnished the schools since November through the New Hampshire Relief Administration. Cod Liver Oil is now being supplied the school children also by the N. H. R. A.

School children attended the T. B. Clinic and Diphtheria Toxoid Clinic held annually during the summer vacation.
